

MP Studio Performance Program Spring 2025

Instructions: Please cross-reference your performance dates & song selections with the sign-up genius and our conversations from the first 2 weeks of lessons. Let me know if you have questions (I volunteered some of you for dates you didn't sign up for because you needed another date. I also guessed for song choices in several instances if you didn't specify which song on the sign-up genius). We have several slots open, so if you want to add a fourth performance, feel free to add your name & song below.
